The infant son of Mr. and Mrs. H. D. Hartt is of an inquiring turn. On Monday he picked up a diamond ring which Mrs. Hartt had laid down. Child-like, he placed it in his mouth. When the mother tried to take the ring from the baby he swallowed it. No ill effects have followed.

Mr. M. M. McCord, who has just graduated from the Atlanta Medical College, arrived in Tallahassee Wednesday night to spend a few days with his parents, Mr. and Mrs. J. W. McCord. The young M. ## CHRONIC BRONCHITIS CURED.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper," writes Mr. Joseph Coffman, of Montmorenci, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now cured of the disease. On my recommendation many people have used Foley's Honey and Tar and always with satisfaction."

Rev. J. S. Crowley, of Leopoldville, Congo Free State, Africa, will address the congregation at the Presbyterian church Sunday morning. likes to get himself into places of danger. Hence bruises, strains and sprains. Mother scolds and brings out the bottle of Perry Davis' Painkiller and rubs it on the injured spots with an energy and frequency depending on the seriousness of the case. There is nothing like Painkiller to take out the soreness. There is but one Painkiller, Perry Davis'. Price 25c and 50c.

Mrs. Ellen Harrison, of 300 Park ave., Kansas City, Mo., writes as follows: "Our two children had severe attack of whooping cough, one of them in paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first does they began to improve and we feel that it has saved their lives." Refuse substitutes.
